

Athletic News

I hope you are all enjoying your summer vacation. We have been busy here at Clover Garden preparing for the upcoming year. New for the 2008-09 school year will be a Co-ed soccer team for High School. We already have a schedule of seven games set. Practices for the high school team will begin sometime shortly after Aug. 1. Ms. Wall will be in contact with those who have signed up.

We are looking forward to someone stepping up to coach the Middle School soccer team for the coming year. Please contact Mr. Levandoski (586-9440) if you are interested.

For all of our Fall athletes, remember that all the forms and paperwork must be completed and turned into the school **before** you can begin practice! They are available online, or from Mr. L.

Again, we hope your summer is going well, and we look forward to another great year for Athletics at C!GS
