

Student Support announcement

Dear Parent,

I would like to introduce myself. My name is Angie Hayes. I have two children here at Clover Garden. I assist with the Elementary FCA Group that meets bi-weekly.

I am excited to have been asked to partner with Clover Garden as a part-time student support facilitator. I graduated from East Carolina University with a degree in Community Service. I am currently working toward my master's degree in professional counseling through Liberty University.

I have worked with adolescents as a Juvenile Court Counselor in Asheboro, NC. I have worked with the Alamance-Burlington School System implementing grant initiatives for student success. However, the job that I am most proud of is the one that I have held for the last 11 years. I have been the at-home wife and mother to Hal, Natalie, Jonathan, and David.

My strongest passion is teaching life skills using object lessons and small group discussions. I am currently learning more about intervention skills within individual counseling through my program at Liberty. I will be working primarily with middle school students for the remainder of this school year.

Please call me if I can be of assistance to you in any way.

My hours are Tuesdays and Thursdays from 7:30 – 3:30. I look forward to co-laboring with you as we all work to help our students to be the best that they can be!

Angie Hayes.
