

Dear Parents,

The Transportation Department will soon begin working on bus routes for the 2008-2009 school year. In order for work to begin on the routes, you must provide us with some information. During the next months, the Transportation Department will review all returned bus forms and begin working towards scheduling community stops that will accommodate as many students as possible. Although completing and returning the form will not guarantee your student(s) a space on a bus, your chances will be greatly improved. The spaces on each bus will be filled on a first come-first serve basis. After all of the spaces are filled, your student will be placed on a waiting list for an available space. **Bus routes will be made according to the information received from returned forms. Current bus routes and stops (house stops and community stops) will be subject to change!**

If you are interested in a space on a bus for the 2008-2009 school year (new CGS student(s), returning student(s) who currently rides a bus or returning student(s) who have not ridden a bus, but would like to in the 2008-2009 school year) **YOU MUST COMPLETE AND RETURN THE FOLLOWING FORM TO THE FRONT OFFICE NO LATER THAN *May 30, 2008.***

Thank you,
The Transportation Department
