

March 9, 2009 PTT meeting

The meeting was called to order at 7:10 by the Vice President, Betty Martin

The Treasurers report was read and no revisions were requested. The minutes from the February meeting were not available. These minutes will be viewed at our April 6<sup>th</sup> meeting.

FUNDRAISER: Spring fundraiser March 28<sup>th</sup>. 5-7 Games and Food. Auction begins at 7:00. We still need donated items for food and items to auction. Games will be same as last year; \$0.25 each, inflatable's \$1.00 each.

BEAUTIFICATION: Need help watering plants. We have the hose; just need people to come out in the evenings to water. See Jeff Page if you can help. Also 5 azaleas have died and would like to replace approx. \$40.00. Still have enough money in budget-no further approval needed.

SCRIP: Explained how scrip works and how this is the largest fundraiser for the school.

HOSPITALITY: Was unable to feed the staff in March due to the snow. Make up day hope to do so before Easter. The first week of May is staff appreciation week.

No reports for the following: FCA, \$-H, Cafeteria and History

No old business

New Business:

5<sup>th</sup> grade teachers requested \$250.00 for the D.A.R.E. program-this will cover t-shirts and certification. Since they were \$10.00 short, the request was changed and approved for \$260.00. Teachers said any personal donation would be greatly appreciated since they have lost their previous year funding.

The school staff has requested we have a cleanup day before spring break. There have been tires, pallets and other trash thrown out around the wells. Want completed because security cameras are being installed during the break. Tentative date set for March 21<sup>st</sup>.
